Dear Clients,

I am pleased to offer a \$25 set up fee for a basic websites plus a \$30 fee for hosting the website. Maintenance, for a simple website will be \$15 a year. This introductory offer won't last forever, so if you want that website up at a cheap cost, then send me the request. I will be happy to launch the website for you. Here is the pricing schedule:

Charge for building the website	\$25 for a simple website (one page, no pictures, \$75-100 for an average website). Otherwise websites cost about \$25-35 a page .(Due when website is up)
Charge for finding a domain name	About \$30 for two years (\$31.14 from godaddy.com) (Due up front)
Charge for maintaining the website	\$45 per year for simple changes (First bill due 1 month after website is up. Each additional bill (yearly) due on the anniversary of the first bill.)

Sincerely,

Marc Menzel
